

## Sligo Yacht Club

### Fob Policy 2022

- SYC operate an Access Control Fob Operated System with CCTV Verification.
- Phase 1, Will permit Access for Members to the Changing Rooms, When complete the Bar / Members area will also be accessible with the same fob.
- It is imperative no under 18 year old member or visitor is to operate the fob system unsupervised by an appropriate adult.
- When the fob is swiped against the pad, the door will open, and the member will have access.
- Each fob will be assigned to a member and the members details are stored on the access control system software.
- Everybody will be recorded upon entering the door for security purposes.
- Each fob holder will be responsible for their own access and the entry of their child (if applicable).
- Fob access is available from 7am to 10pm from April 1st to September 30th inclusive.
- Fob access is available from 8am to 5pm from October 1st to March 31st.
- During busy sailing periods, such as the junior sailing course, access to the changing areas will be restricted.
- Lost or stolen fobs can be replaced by the member at a cost of €40 which is non-refundable. The lost/stolen fob will be deactivated and deleted from the access control system once the new fob is activated.
- Fob use is dependent on Membership being paid and access may be suspended if not.
